

English Plus Football

For students who love football and want to play it every waking minute! Coaching sessions are led by qualified staff and aim to improve each student’s technical skills and abilities. Students will also build on their understanding of match tactics and playing systems. There are regular matches and a weekly showpiece game.

Below is a typical timetable for students following the football programme. Students receive nine hours of football training per week in addition to their fifteen hours of English tuition. Along with all other students, ‘English Plus Football’ students will go on one full day excursion and two half day excursions a week.
